3 Great Attractions . . . One Really Fun Day!

Ricky Boen & The Texas Mud Show

This high-energy show features the twin fiddle stylings of Bob Willis, Asleep at the Wheel, George Strait, Spade Cooley, as well as their own. Adding to the already great show is Branson's newest female comedian, "Ida Clare" and tremendous entertainer, eleven-year old Brooke Hale. Ricky Boen and Texas Mud is the morning show that you surely don't want to miss! And just a little note about Ricky, he's a World Champion Fiddler . . . Yee Ha!

Branson's Lake Queen Luncheon Cruise

Lunch cruise includes: Choice of Ham or Turkey Croissant Sandwich, Chips, Homemade Brownie and drink (water, coffee or tea).

Wine Tasting

Following our Luncheon Cruise we will visit Mt. Pleasant Winery, Branson's newest wine bottler. Even though Mt. Pleasant is fairly new to Branson, they've been in the business a long time, established in 1859. Their Branson home is a breathtaking building that won the 2008 Interior Design of the Year award from 417 Magazine. Not only do they offer all the wines from their home vineyard, they have special varieties brewed (along with and a sparkling grape juice if you prefer) specifically for their Branson guests.

Sons of the Pioneers Chuckwagon Dinner Show

Celebrating over 75 years of harmony, the legendary Sons of the Pioneers are back by popular demand at The Shepherd of the Hills Pavilion Theatre. Enjoy their beautiful western harmonies, signature hits like "Cool Water" and "Tumbling Tumbleweeds", and a hearty cowboy feast that includes beef brisket, a smoked chicken breast quarter, barbeque beans, Dutch oven sparkl'n tators, a hot roast'n ear of corn dipped in butter, a hot sour dough roll with honey, and Dutch oven campfire cobbler all served straight off an authentic 1800s chuckwagon. The Dinnerbell rings at 4:15pm. Show runs 3 hours and we will depart around 7:30 pm returning home to Bank of Siloam Springs approximately at 10:00 pm.

Come Join the Fun!
