## Mystery Tours

### RAMBLING THOUGHTS

... you won't know where we're going,  
just that we'll have lots of fun when we get **THERE!**

Really, one of the very nicest things about  
a Mystery Tour is the way we must regularly  
stop whatever it is we are doing and  
devote our attention to **EATING.**

Timing, they say, is everything.  
And May is a G-R-E-A-T Time to Travel!

Location! Location! Location!  
A **X-LARGE** part of a successful Mystery Tour  
whether you have been there before or not,  
depends on that one word — location!

Everyone knows **APRIL** showers bring May flowers.  
As late **SPRING** rolls around each year,  
the landscape is generally painted  
in a variety of bright **COLORS** because of the many  
flowers that bloom this time of year!

Basically, a Mystery Tour is like putting together a Puzzle.  
**ONCE** all the Pieces are in Place,  
You have a portrait of where you have been.

Everyone can Imagine the fun  
we will have on this Mystery Tour ...  
Note: You might have **A** big clue included in this brochure!

A journey is best measured in friends, rather than miles!
